A stillbirth must be registered both as a birth and a death. The date of death should be the date of delivery and the death certificate should further state, if known, the cause of the stillbirth and the period of utero gestation in months.

STATEMENT OF OCCUPATION.—Precise statement of occupation is very important, so that the relative healthfulness of various pursuits can be known. The question applies to each and every person, irrespective of age. For many occupations a single word or term on the first line will be sufficient, e. g., *Farmer, Physician, Stenographer, Compositor, Architect, Locomotive engineer, Civil engineer, Stationary fireman, etc.* But in many cases, especially in industrial employments, it is necessary to know (a) the kind of work and also (b) the nature of the business or industry, and therefore an additional line is provided for the latter statement; it should be used only when needed. As examples: (a) *Spinner*, (b) *Cotton mill*; (a) *Salesman*, (b) *Grocery*; (a) *Foreman*, (b) *Automobile factory*. The material worked on may form part of the second statement. Never return "Laborer," "Foreman," "Manager," "Dealer," etc., without more precise specifications, as *Day laborer, Farm laborer, Laborer—Coal mine*, etc. Women at home, who are engaged in the duties of the household only (not paid *Housekeepers*, who receive a definite salary), may be entered as *Housewife, Housework*, or *At home*, and children, not gainfully employed, as *At school* or *At home*. If the occupation has been changed or given up on account of the DISEASE CAUSING DEATH, state occupation at beginning of illness. If retired from business that fact may be indicated thus: *Farmer (retired 6 yrs.)*. For persons who have no occupation whatever, write *None*.

STATEMENT OF CAUSE OF DEATH.—Name, first the DISEASE CAUSING DEATH (the primary affection with respect to time and causation), using always the same

accepted term for the same disease. Examples: *Cerebrospinal fever* (the only definite synonym is "Epidemic cerebrospinal meningitis"); *Diphtheria* (avoid use of "Croup"); *Typhoid fever* (never report "Typhoid Pneumonia") *Lobar pneumonia*; *Bronchopneumonia* ("Pneumonia," unqualified, is indefinite); *Tuberculosis of lungs, meninges, peritoneum, etc.*, *Carcinoma, Sarcoma, etc.*, of (name origin; "Cancer" is less definite; avoid use of "Tumor" for malignant neoplasms; *Measles*; *Whooping cough*; *Chronic valvular heart disease*; *Chronic interstitial nephritis, etc.* The contributory (secondary or intercurrent affection need not be stated unless important. Example: *Measles* (disease causing death), 29 ds.; *Bronchopneumonia* (secondary), 10 ds. Never report mere symptoms or terminal conditions, such as "Asthenia," "Anaemia" (merely symptomatic), "Atrophy," "Collapse," "Coma," "Convulsions," "Debility," ("Congenital," "Senile," etc.), "Dropsy," "Exhaustion," "Heart failure," "Hemorrhage," "Inanition," "Marasmus," "Old age," "Shock," "Uraemia," "Weakness," etc., when a definite disease can be ascertained as the cause. Always qualify as "PUERPERAL septicemia," "PUERPERAL peritonitis," etc., all diseases resulting from childbirth or miscarriage. State cause for which surgical operation was undertaken. For VIOLENT DEATHS state MEANS OF INJURY and qualify as ACCIDENTAL, SUICIDAL, or HOMICIDAL, or as *probably* such, if impossible to determine definitely. Examples: *Accidental drowning*; *struck by railway train—accident*; *Revolver wound of head—homicide*; *Poisoned by carbolic acid—probably suicide*. The nature of the injury, as fracture of skull, and consequences (e. g. *sepsis, tetanus*) may be stated under the head of "Contributory."

Gentlemen:

We have checked our files and do not have the death certificate for Nathalia Higginson Bradburry.

In filing a delayed death certificate would it be possible for you to get the signature of the doctor and funeral director, after so long a time. If so, we will place the record on file. If this woman died in your hospital perhaps a statement from you would serve the purpose.

We will hold your request and fee until we hear from you further.

Plans to Wed

ANGELES (AP) — Aimee McPherson Saturday issued a dispatch from Alva, saying her son Rolf would marry July 21 to Miss Lorna Alva. The evangelist would perform the ceremony. Miss Smith completed evangelistic training at the same time ago. McPherson's congratulations are almost all members of the "Pherson family," she is referring to the recent deaths of her daughter, Rolf, and her mother, Mrs. Kennedy.

WHEAT POLICY CLASH COMING

Republican Regulars Prepare Demand Grain be Taken Away From Market

WASHINGTON (AP) — The farm bill facing a clash with senate republican leaders from the wheat board over its policy on the disposal of last year's wheat surplus. Monday Vice President Curtis Watson of Indiana, the republican leader, and Senator Joseph P. Kamp of Kansas, all republican and administration, plan to go to the board to demand that it hold last year's surplus market entirely.

Sales Limited
They have indicated they will limit their plea to President Hoover if it fails to gain satisfaction from the board.

At the request of the President, and recently announced a policy on the 1929 wheat surplus—that policy is to sell no more than five million bushels a year of the old crop at domestic prices.

Comes From Fields
Curtis Watson wants all of the surplus he held off the market. The farmer is trying to sell the surplus. At least he wants to get it off the board so that it will not be sold at a loss.

President Curtis, coming to the farm from the harvest fields, says the board should not sell the surplus until the price is high for it.

NEGOTIATORS REACH BASIS FOR ACCORD

French and American Diplomats Near Agreement on Moratorium; Draft of Text To Be Sent to Washington

PARIS (AP) — French and American statesmen early Sunday morning reached the basis of a complete agreement for the application of the Hoover plan for economic relief to Germany.

After a series of negotiations which have been always liberal and sometimes delicate and even critical, the statesmen reached their accord after midnight.

The draft of the text, which was to be telegraphed to Washington immediately, is subject to the approval of President Hoover and his governmental colleagues.

To Be Initialed
If the President finds that it conforms to the principles of his plan, a final decision is expected on Monday and the agreement will be put into final form at another conference of the French and American statesmen which probably will also be held Monday.

It will then be initialed by the negotiators. The Havas News agency said that the Franco-American agreement fixed 12 years as the length of time to be allowed Germany for repayment of the delayed funds.

Briland Explains
It said the thorniest part of the disagreement was the French demand for the continuation by Germany of payments in kind, in which continuation the American government was fundamentally opposed. It added that the interview of Foreign Minister Aristide Briand on Saturday with Secretary Mellon and Ambassador Edge were on the subject of Germany's good faith.

Briand was said to have explained that France was willing to help Germany, but that she required assurance that the credits extended would not be used for armaments and that efforts at central European hegemony would not disturb confidence.

Parley Planned
The negotiators were said also to have deliberated how this might be put to Germany. It was learned that an important accompanying document

Slugging, beating, mauling and wrestling mugged the little from opening going until Dempsey, in the double role of promoter referred to the fighters' arms in victory.

Four Members of Boise Family Injured; Payette Claims Victim; 5 Hurt Near Meridian

BULLETIN
Mrs. Alma Moorehouse, 56, mother of the driver of the car which went over the grade near Banks Saturday night, died at 2:30 Sunday morning.

Four members of a Boise family, one Boise girl and four Nampa youths, in hospitals Sunday morning, and a man drowned in the Payette river, were outstanding on the list of fourth of July casualties among holiday crowds of southwestern Idaho.

Mr. and Mrs. Elwin Moorehouse of North Eighteenth street, Boise, their 1-year-old daughter, Betty Louise, and Mrs. Alma Moorehouse, Nampa, the mother of Mr. Moorehouse, are all in a critical condition. They were at the mercy of a tumbling automobile at 10 o'clock Saturday night, when their machine, side-swiped by another car, went hurtling end over end down a 25-foot cliff along the Payette river four miles south of Banks. A protesting ledge of rock kept the car out of the swirling river, but did irreparable damage to the automobile and strewed the four occupants about, breaking bones and inflicting deep cuts.

Drowns in Payette
Leman Littlefield, a 40-year-old Salt Lake worker, caught in the treacherous waters of the Payette river at Banks, sank from sight before his companions could rescue him. Last morning morning his body had not been recovered.

Miss Flora Nelson, 16, Nampa, and Thomas Hensley, 19, Miss Barbara Hays, 14, Miss Lila Young, 12, and Miss Ruth Hays, all of Nampa, suffered injuries believed to be serious, but as yet undetermined when their automobile was pushed off the bank near a bridge. They were in the car a few minutes when the accident occurred. Hensley, Young, Hays and Nelson were taken to a hospital. Miss Nelson was brought to St. Luke's hospital.

One of the Mrs. Moorehouse's sons, who was in the car, was out of the car before the accident.

HOLIDAY WRECKS PUT 9 PERSONS INTO HOSPITALS

Four Members of Boise Family Injured, Two Critically; Man Drowned in Payette; Cars Crash Near Meridian

(Continued from Page One)

lied at first to be dead, was the most seriously injured. Her true condition cannot be ascertained until x-ray pictures are taken of her head Sunday. It was held possible that her injuries might prove fatal. Mr. Moorehouse was seriously cut and suffered from loss of blood, but was said to be the least injured in his party; Mrs. Elwin Moorehouse was suffering a crushed chest and a fractured right arm, and the baby was in a serious condition as a result of shock and head injuries.

En Route to Garden Valley

The four were en route to Garden Valley, 10 miles up the south fork of the Payette from Banks, when the crash occurred. Around a blind turn dashed another automobile, a light roadster, locked wheels with the Moorehouse car, sending it careening down the steep embankment. Mr. Moorehouse, driving on the inside track, was unable to change the forced direction of his machine, which pulled around toward the brink.

Down the car went at a sickening pace, rolling over end for end, smashing in the top and tumbling the four within as dice in a cup.

Passing Motorist Aids

A passing tourist, W. L. Boys, 1103 State street, returning from Lowman, stopped and brought Mrs. Elwin Moorehouse and the baby to a Boise hospital. An ambulance from here brought in the other two.

Boyd reported that the roadster, headed toward Boise, was not seriously damaged, and that its occupants, whose names could not be learned, stopped and gave aid to the Moorehouse party.

Climaxing his Fourth of July celebration with a plunge in the cold waters of Payette river at Banks, where he was employed on a road construction job, Littlefield drowned when he slipped into a deep hole.

Littlefield and several companions, all of them workmen on a highway construction crew, were camped at Banks, camp so situated on the river at 6 o'clock Saturday afternoon.

THOUSANDS GATHER AT COEUR D'ALENE

COEUR D'ALENE (P)—Thirty-five thousand persons swarmed into this little lake city Saturday for the combination north Idaho sportsmen's show and Independence day celebration.

Boat races, water sports and a speech by W. Orr Chapman, Twin Falls, were high lights. Chapman, mentioned as a Democratic candidate for United States senator, offered remonetization of silver and reduction and equalization of taxes as a solution for depressions.

"The sooner we quit trying to kid ourselves by attempting to convince ourselves the depression is only psychological, quit trying to avoid it by burying our heads in the sands of unfounded optimism and really put our minds and our ingenuity to the discovery of a way out, the sooner the clouds of depression will be dispelled," he counseled.

MISS THURSBY, SINGER, DIES

Woman Loved by Musicians Of World Succumbs to Heart Disease

NEW YORK (P)—Emma Cecilia Thursby, who as a slender young girl sang in the Brooklyn church of Henry Ward Beecher and later before royal music lovers all over the world, is dead at her home in Gramercy Park. She was 57 years old.

Her death, announced Saturday by members of the family, occurred Wednesday as she was preparing to leave the city for her summer home at Staten Island. The night before she had stayed up to hear the radio debut of Geraldine Farrar, her protegee and former pupil. An attack of heart disease caused her death.

Counsel Sought

Emma Thursby won the acclaim of three generations of concert goers but never appeared in grand opera. Because of religious scruples she declined many offers of a stage career both in America and France.

Many noted singers of this and the last generation admired her art and sought her counsel in matters musical. Her salons in New York during her latter years were attended by such famous names as Mme. Adèle Patti and other equally well known ones of the operatic world.

Her husband, who was in the employ of the city of New York, died in 1904. She was then 47 years old and had been married 25 years.

SENATOR ASKS TAXPAYER A

Alben Barkley of Kentucky Suggests Moratorium To Help People

MADISONVILLE, Ky. (P)—A suggestion that the American taxpayer be given relief for a year longer was made here Saturday by United States Senator Alben Barkley of Kentucky in an address notifying Circuit Judge Ruby of his nomination as Democratic candidate for governor.

After denouncing President Hoover's administration for its policy during the economic depression and blaming conditions largely on the tariff and farm relief mode, Mr. Barkley reiterated his approval of Hoover's proposed pension for a year of inter-governmental debts.

Then, stating this would mean a loss of 250 billion dollars in year to the American treasury asked, "What will the President say with reference to a proposal to give the American taxpayer a year's suspension of their debts?"

He declared the United States government is even years ahead its schedule in paying off its war debts and continued, "Now we are to give Europe a year's suspension in paying its debts, not give the American taxpayer more relief by postponing for a year, or even longer, his payment on his own war debts?"

A message from Deer Lake, Mont., said the south's delegates would be here Sunday.

Mr. Davis;

You will note that our records, that a death certificate was filed and a burial permit #10 was issued for this burial.

Dr. A.C. Spooner is no longer an MD in Spirit Lake, Idaho and the registration districts have all been changed. The registrar for that area now is located in the Pan Handle Health Unit at Coeur d'Alene, Idaho

If the Bureau of Vital Statistics at Boise does not have the death certificate filed for Mrs. Lasich it is obvious that the certificate have been lost or misplaced by a registrar or the Health Department at Boise. The only other alternative that you might have would be for us to make an affidavit swearing to these facts.

I trust we have been of service to you and Mr. Lasich.

Sincerely,

L.G. Moon Jr.
